FYI

I'm trying to push this fs through asap. It's already been reviewed and commented on, so it shouldn't take anyone by surprise or need much review time. That being said..... I know it still might not see the light of day.

Rich Fetzer is currently reviewing this draft fact sheet.

It had been previously reviewed but put aside until we determined the re-sampling criteria.

To update the community, it should be distributed door-to-door to residents in the immediate area sometime prior to or during re-sampling activities.

Subject: draft fact sheet for DRG Site

Now that we have a better idea of "next steps" I revised the upcoming fact sheet.

Please let me know if you're ok with this.

If yes, I'll feed it up the foodchain.

Thx.
